3.4 Within six months from the date of enrolment, the candidate shall furnish through the Principal/Head of Medical College/College of Nursing/University Department of Pharmaceutical Sciences—

- (a) a tentative title of the thesis; and
- (b) a tentative design of research project.

The candidate may seek approval of the title of the thesis later but he shall submit the thesis not earlier than one year the date of approval of the title. The Faculty may, however, relax this limit wherever it is considered necessary by the Principal/Head of the College of Nursing/University Department of Pharmaceutical Sciences.

4.1 Before forwarding the application required in Regulation 3.4, the Principal/Head of the Medical College/College of Nursing/University Department of Pharmaceutical Sciences will satisfy himself, after proper scrutiny and test, including viva voce of adequate general knowledge of the candidate in his special field of study. He shall also satisfy himself that the subject offered is one which can be pursued with profit and that the candidate possesses the requisite qualifications equipment and capacity for research.

4.2 While forwarding the application, the Principal/Head of the College/Department shall also recommend a suitable supervisor, to guide the applicant in his research work. He may, however, if he considers necessary, recommend joint supervisors.

5. Applications for registration as well as approval of the title, etc. (Regulation 3.4) after scrutiny by the Registrar's office, shall be forwarded for consideration by the Board of Post-graduate Medical/Pharmaceutical Sciences/Nursing Studies.

6. The Board of Post-Graduate Medical/Pharmaceutical Sciences/Nursing Studies shall consider each application and recommend whether, in their opinion—

- (a) the subject proposed for research; and
- (b) the supervisor recommended; are suitable and if so, they may recommend approval of the same. If however, the Board considers that the subject and/or supervisor are not suitable, they may either reject the application or may suggest suitable changes for reasons to be recorded.

7.1 The title of thesis and the supervisor recommended by the Board of Post-graduate Medical/Pharmaceutical Sciences/Nursing Studies shall be considered by the Faculty of Medical Sciences which shall have power to co-opt any other expert for a particular meeting.

The decision of the Faculty shall be final.

7.2 The Faculty of Medical Sciences will decide whether or not the applicant be registered.

8.1 Every candidate shall pursue his research work for three years from the date of his enrolment. Thereafter, he shall submit the thesis by one of the following dates whichever falls immediately next to the expiry of three years:

First term	July 31
Second term	October 31
Third term	January 31
Fourth term	April 30

Provided that the Faculty, may, on the recommendation of the Board of Post-graduate Medical/Pharmaceutical Nursing Studies, for reasons to be recorded, grant exemption for a period not exceeding one year to a candidate who already possesses M.D./M.S. degree and to a research worker of good standing who has already carried out useful recognised work and allow him to submit his thesis after two years of enrolment and research or any period fixed by the Board but it shall not be less than two years from the date of enrolment.

8.2 A candidate may apply through the Principal/Head of college Department for permission to modify the title of his thesis. The application will be considered by the Board of Post-Graduate Medical/Pharmaceutical/Nursing Studies and then by the Faculty.

8.3 After the expiry of one year's research work, a candidate may be allowed by the Principal/Head of the Medical College/College of Nursing/University Department of Pharmaceutical Sciences continue his research work at some other approved centre if—

- (a) facilities for further work do not exist at the Medical College/University Department of Pharmaceutical Sciences/College of Nursing; or
- (b) the Principal/Head of the College/Department is satisfied that it would be in the interest of the candidate to do further research work at such a centre.

Provided that the supervisor may, on scrutiny of the six-monthly reports, received from the candidate send for the candidate, if necessary, to assess the progress made by him in his research work.

9. The Principal/Head of the College/Department in association with the Supervisor concerned, shall test every candidate on the expiry of one year from the date of enrolment, in order to determine whether the candidate should be allowed to continue his research work. If a candidate is found unfit, his enrolment shall be cancelled.

10.1 Every candidate shall report in writing, at the end of every six months to the supervisor the work done by him during the six months. The supervisor will take action on this report as he considers suitable depending on the nature of the report and other circumstances of the case.

10.2 The Principal/Head of the Medical college of Nursing/University Department/ of Pharmaceutical Sciences will ensure that every supervisor submits report on candidate's research work twice a year, viz.,

- (a) Between October 16 and 31
- (b) Between April 16 and 30.

Reports of supervisors in all cases shall be submitted through the Principal/Head of the College/Department to the Faculty for information and any action that the Faculty may consider necessary.

10.3 In the event of a difference arising between a candidate and Supervisor, the matter shall in the first instance be referred to the Dean of the Faculty. If the Supervisor happens to be the Dean the matter shall be referred to the Board of Post-graduate Medical/Pharmaceutical/Nursing Studies directly.

When the matter is referred to the Board, it will take a decision itself, after obtaining, if necessary, the advice of an expert. The decision of the Board shall be final.

10.4 If a supervisor gives unsatisfactory report on the work of a candidate, the position will be considered by the Board in order to decide whether the candidate should be allowed to continue his research for the Ph.D. degree.

11.1 A candidate who is unable to complete his research work and thesis within the time allowed by these Regulations may apply, through his Supervisor and Principal/Head of the College/Department concerned, for grant of extension.

Extension may be granted by the Faculty up to a maximum of two years, i.e., every candidate must submit his thesis on the expiry of a total period of five years from the date of enrolment.

Provided that—

- (1) extension shall not be granted for more than a year at a time.
- (2) every application for the grant of extension shall be accompanied by a fee of Rs. 25/-.

If the thesis is received after the prescribed period of five years, the Dean of the Faculty may condone delay, up to three months. The Vice-Chancellor may, on the individual merits of each case and on the recommendation of the Faculty grant extension to the extent he may deem necessary.

11.2 If candidate fails to submit his thesis within the period allowed under Regulation 11.1, his enrolment shall be cancelled, but he may be allowed to register himself again with some other subject or in exceptional circumstances such as prolonged illness extending over several years or exigencies of military service, on the same subject.

12. If the Supervisor of a candidate who has been guiding research work for Ph.D. degree of another University, is employed on the staff of the Medical College/University Department of Pharmaceutical Sciences/College of Nursing the candidate doing research work under his supervision may be allowed to enrol himself for the Ph.D. degree of this University under the same supervisor, subject to fulfilment of these regulations. Such a candidate shall not submit his thesis until after one year of his enrolment in this University.

13. On completion of the research work and in accordance with the period allowed in these Regulations, the candidate shall submit four printed or typewritten copies of his thesis and shall comply with the following conditions:

- (i) The thesis shall accompany—

(a) a fee of Rs. 250;

(b) a certificate from his supervisor (as may be prescribed by the Syndicate) indicating the period for which the candidate has done research work and that the thesis is worthy of consideration for the award of Ph.D. degree.

- (ii) The thesis must be a piece of original research work characterised either by the discovery of new facts or for a fresh interpretation of the known

facts or theories; in either case it shall give evidence of the candidate's capacity for original research, critical examination and judgement;

- (iii) The thesis shall be satisfactory in its literary presentation;
- (iv) The thesis shall indicate how it embodies the results of the candidate's own research or observations and the respects in which the candidate's investigations appear to him to have advanced study of the subject;

Provided that

- (a) A candidate may incorporate in his thesis contents of any work which he may have published on the subject but he shall not submit, as his thesis, any work for which a degree has been conferred by this or any other University.
- (b) No conjoint research with the Supervisor shall be permitted in regard to the subject matter of the thesis. The thesis must consist of the candidate's own work—which must be his personal achievement provided further that a candidate may submit as subsidiary matter in support of his thesis any printed contribution for the advancement of his subject which may be published independently or or conjointly. Where such subsidiary matter is submitted the candidate shall indicate specifically his personal contribution to such conjoint work duly attested by the supervisor.
- (c) The candidate shall declare in writing, duly countersigned by his supervisor and Principal/Head of the Medical College/College of Nursing/University Department of Pharmaceutical Sciences that the thesis is not substantially the same as one he may have already submitted to another University.
- (d) The greater portion of the work included in the thesis must have been done subsequent to his obtaining the basic qualification prescribed in Regulation I.

14. Every candidate shall give an undertaking that he will not publish his thesis without the previous permission of the Syndicate. If this permission is granted, the candidate shall supply to the Registrar three copies of the published thesis, one copy to be placed in Medical/College/College of Nursing/University Department of Pharmaceutical Sciences and two copies in the University Library. The candidate will also furnish the University with copies of reviews of his publication which, along with the book, shall be brought to the notice of the Syndicate. He may publish the preliminary work with permission of Head of the Institution.

15.1 The thesis shall be referred to two examiners appointed by the Syndicate on the recommendation of the Faculty of Medical Sciences and the Vice-Chancellor. The examiners may recommend—

that the thesis be accepted for the award of the Ph.D. degree;

that the thesis be rejected;

that the thesis be allowed to be resubmitted with improvement and for this purpose may make such suggestions as they may be deem fit. Provided that the candidate shall ordinarily resubmit the revised thesis within one year of the date of supply of comments of the Examiner to him by the University. Special extension may be given by the Dean of the Faculty up to a maximum of one year.

15.2 A thesis shall be resubmitted, if so recommended by the examiners, only once, and it shall be examined by the examiners who assessed the original thesis unless both or any of them are unable or unwilling to do so.

15.3 A candidate who is required to resubmit his thesis must do so accompanied by half the amount of fee prescribed in Regulation 13.

15.4 In case there is difference of opinion between the two examiners in regard to the acceptance of the thesis, i.e. one recommends its acceptance and the other its rejection,

the Vice-Chancellor may refer the thesis to another examiner who shall ordinarily be out of the approved panel. In case one examiner recommends the acceptance and the other its revision, the revised thesis shall be sent for evaluation to the examiner who recommends revision.

15.5 The examiners shall indicate in their report whether :

the thesis is fit for publication by the candidate in its original or modified form. In the latter case they may make definite suggestions for improvement.

or

the thesis is of such an outstanding merit that the University should undertake its publication at its own cost.

15.6 Except in the case of a thesis which is rejected, viva-voce shall be held in accordance with the rules prescribed in this behalf by the Syndicate, before a final decision is given on the thesis. The examiners may send, if they so desire, along with their reports, questions for use by the Board conducting the oral examination. Such a Board shall consist of three examiners appointed by the Vice-Chancellor of which the Principal/Head of the Medical College/University Department and the supervisor of the thesis shall be members. If two out of three members of the Board are present, the viva voce will be conducted provided that one of them is the external examiner.

15.7 A candidate whose thesis is rejected shall not be registered again for the Ph.D. degree with the same subject.

16. The reports of both the examiners on the thesis as well as of the other examiners for viva voce shall be considered by the Syndicate. The Syndicate may decide—

- (i) whether the degree of Doctor of Philosophy be awarded;

or

- (ii) whether the candidate be required to revise the thesis and resubmit it for re-examination;

or

- (iii) whether the thesis be rejected.

17. The Registrar shall notify the result in accordance with the decision of the Syndicate.
